OF THE
CITY OF GREENSBORO, N. C.**

SPECIAL MEETING:

11 SEPTEMBER 2001

Pursuant to a motion on July 17, 2001, Council set a special meeting for the above date to receive a presentation on solid waste disposal options.

Because of the tragedies that took place on this date at the World Trade Center in New York, the Pentagon and other areas of the country, the Mayor and City Council cancelled this special Council meeting and asked that Greensboro citizens keep those impacted by these incidents in their thoughts and prayers.

Information regarding the new date and time for the meeting will be publicized once the meeting is rescheduled.
